FREEPHONE

We are working with local venues and organisations across South Gloucestershire to support a network of community welcome spaces this winter. These warm spaces offer a friendly welcome and are free to use.

They are often located in a community centre or a town or village hall. Some offer hot drinks, activities and facilities plus information on local financial support available, energy saving tips and government cost of living help.

Setting up Community Welcome Spaces

Grants of up to **£500** are available to set up and run community welcome spaces this winter.

Registered organisations wanting to provide a warm, safe and friendly place for South Gloucestershire residents can apply on a first come, first served basis.

You can also sign up to be included in our directory, managed through Well Aware, part of the Care Forum.
